The Ipswich State High School offers a unique learning environment in Queensland's oldest provincial city, with award-winning programs and teachers.

We value diversity and different cultures - including our traditional land owners, and you can make friendships here that you will keep for life.

Our selection of subjects is huge; including Science, Technology, Engineering and Mathematics (STEM) subjects, sport and beauty, and we also offer tutoring and assistance with your English.

Year 11 students can study a university subject while at our school; through the University of Southern Queensland - Head Start program.

With our many subject choices and programs you can have any career, and we focus on helping to prepare for your future after school.
